

National Parks of Canada: Trip Readiness Checklist

- Digital Discovery Pass:** Have you synced your QR-code pass to your smartphone wallet (Apple Wallet/Google Pay)?
- Timed-Entry Reservations:** Are your 48-hour or seasonal shuttle slots for Banff, Jasper, or Bruce Peninsula confirmed?
- EV Route Mapping:** If driving an electric vehicle, have you pinpointed Level 3 charging nodes for your specific route?
- Offline Map Layers:** Did you download the 2026 topographical layers (PDF/GPX) for zones with zero cell service?
- Satellite Messenger:** Is your Garmin InReach or Starlink Mini active and tested for North/Remote territory travel?
- Wildfire & Smoke Alerts:** Have you bookmarked the real-time "Fire Risk Dashboard" for your specific park province?
- Indigenous Guidelines:** Have you reviewed the local access protocols for parks co-managed by Indigenous Guardians?
- Dynamic Pricing Budget:** Did you account for peak-demand entry fees (\$10–\$25 fluctuation) in your travel fund?
